Community Project
now through March 8

Our generous community members who knit or crochet are donating their **handmade scarves, hats, & mittens, and more** to go on our **GIVING TREE**.

All the items on the **GIVING TREE** are available to members of the community should they have a need. They are welcome to take what they need for **free**, or if they would like to make a donation, *we are accepting donations of a minimum of \$10 to go to our community food bank.*

Keep on knitting or crocheting!

We hope to replenish the tree as items are removed, so we will continue to need your generous knitting & crocheting throughout this season. Please bring your completed items to the library and we will hang them on the tree.

The library has **YARN** you can use. Come by and help yourself, or use **YARN** from your own stash. You may also donate **YARN** for others to use.

As you complete your projects, please drop them off at the library.
