Do you have an interesting hobby, collection, skill, or knowledge ... something you might want to share with the public?

If you do, please let us know. It might be a great opportunity to "give back." Call library director Marsha Watson, at 607-569-2045, or email her at watsonm@stls.org, to find out if it would be a good fit for the library. We are non-profit, so you would not be able to benefit financially from your presentation, but ... what a great way this would be to share your passion!
