The Rules: Enter at the William Street front entrance. There is a sign-in station, hand sanitizer and masks, if you forgot yours. Wearing a mask is still required. Gloves are available if you wish to use them. Sneeze shields are in place at the circulation desk. You will be exiting on the Shethar Street side. The parking lot is easily accessible from both sides of the building.

Inside the Library: Library patrons may now use restrooms, but playing in the Children's Area is not allowed yet. If you need copies, we will make them for you. As more areas open up, we will let you know by posting it on the website and on facebook.

Outside the Library: Our **WIFI** is available 24/7 and accessible on the patio and in the parking lot. The network and password are posted on the front and back doors.

Interlibrary loan within our system is available. Log onto STARCat and place a hold to your account, or call us at 569-2045 with your requests. Out-of-system loans are not available.

Curbside Service is still an option. Please let us know if you prefer to pick your materials up at the door. You may place holds on line, or call us with your requests. When we have them ready, we will check them out to you, let you know they are here. You can knock on the front door on William Street and we give them to you.
