National Volunteer Week April 10-16

"National Volunteer Week is about inspiring, recognizing and encouraging people to seek out imaginative ways to engage in their communities. It's about demonstrating to the nation that by working together, we have the fortitude to meet our challenges and accomplish our goals."

We love and appreciate our volunteers!

In recognition, an luncheon is held annually, made and served by the Library Trustees and Director, to honor our volunteers.

This is a picture of the staff and volunteers at last year's event.
