## Community Report - 2017

### *Letter from the Library Board President*

This will be my last Report to the Community. December 31<sup>st</sup> will mark the end of my three 5 year terms on the Library Board of Trustees allowed by the bylaws and I will be leaving the Board. In retrospect, my first thought is "Where did the time go?" We moved here in 2001 and I wanted to become a part of the community. I'm a reader and the little library in the old elementary school looked like a friendly place so I volunteered.

In 2003, then Board President Katherine Meade invited me to join the Board. At that time, plans for building a new library building were in the infant stages and the next four years were a busy and exciting time as those plans came to fruition. *Today, more than a decade later, the Library is an amazing asset to our small town.* But it takes more than a beautiful building and good books to make a great library. People are the Library's heart and I have had the privilege of working with some of the best.

The staff is friendly, welcoming and always working to maintain a high standard for library services. The many volunteers are loyal, devoted and make major contributions from staffing the circulation desk to fund raising and special events.

Our loyal patrons are truly appreciative of all that our library offers. When I am in the library, I see people reading, working on computers, doing puzzles, playing chess or just relaxing and I know I made a very good choice back in 2001.

*Pat Etter, Board President*

*A taste of events happening at the library in 2018 ... with Amber Stevens receiving the Gary Pruy Youth Service Worker of the Year Award for her Little Bookworms program & Marilyn Conklin retiring after thirty years of dedicated library service.*
