Thanks to Liam Wetherby
for the awesome name ...
Octavious!

Many thanks to the indefatigable and
ever creative **Jerine Faber**, who came up
with the idea of an octopus to highlight
this year's summer reading program,
Oceans of Possibilities. She then
proceeded to create him over a few
months, completely monopolizing her
large dining room table.

We love the result!

Jerine Faber, Creator of the Octopus who became *Octavious*

Current Mask protocols
are posted on the doors
into the library.
