

Sexual Harassment Prevention Notice

**Combating
Sexual Harassment**

Sexual harassment is against the law.

All employees have a legal right to a workplace free from sexual harassment, and the Fred & Harriett Taylor Memorial Library is committed to maintaining a workplace free from sexual harassment.

Per New York State Law, the Fred & Harriett Taylor Memorial Library has a sexual harassment prevention policy in place that protects you. This policy applies to all employees, paid or unpaid interns and non-employees in our workplace, regardless of immigration status. You are receiving this notice, as required by law, either at the time of hiring or during your annual sexual harassment prevention training.

If you believe you have been subjected to or witnessed sexual harassment, you are encouraged to report the Library Director or the Library Board President so we can take action.
